

THE SAMUEL I. GOODALL CO.,
MANUFACTURERS OF
Bailey Pattern Planes, Try Squares
Bevels, Etc.
Philadelphia, Pa., U. S. A.

The Samuel I. Goodall Co., No. 605 South Seventeenth Street, Philadelphia, manufacturers of Bailey Pattern Planes, will, about the first of the year, enlarge their plant and add more machinery, which will enable them to increase their output. They feel confident they are now making the best Bailey Planes and are very much pleased at the result of this year's business.
